

A1 UV DTF Printer UVDTF-603 PRO

60cm Width, EPSON I3200U1 Heads, Sticker Printer

- Electric laminating integrated
- High speed printing and high precision
- Conventional standard models, save freight costs
- Anti-collision sensor to Protect print heads

Specification

Model	UVDTF-603 PRO	
Wide	600mm	
Number of nozzles	I3200U1*3	
Print Precision Print Speed	4pass:720*1200dpi,10-15m ² /h 6pass:720*1800dpi,5-10m ² /h 8pass:720*2400dpi,4-7m ² /h	
Color	Blue、 Dark grey	1745mm
Ink	Capacity: 500ml/1000ml	
	Color: W+CMYK+Varnish	
RIP Software	Print Factory	
UV Lamp cooling system	Hydrocooling	
Press paper mode	Electric-driven	
Power	2150W/220V	
Weight	N.W: 262KG	
Temperature	20°C-28°C	
Humidity	30%-65%	
Printing solution	AB Film	
Dimensions(mm)	Machine: 1890*mm*840mm*1600mm	
	Package: 1930mm*870mm*800mm	

Features

Printer Features	Electric laminating integrated
	Conventional standard models, save freight costs
	Intelligent panel display and control
	High speed printing and high precision
	Automatic ink shortage alarm
	Anti-collision sensor to Protect print heads
	White ink cartridge had been built-intiming stir
